**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please prevent price hikes that will increase the cost of internet and telephone services. These communication service allow most of the people in the world to know what is going on at home and abroad. This continued access to knowledge allows us to participate creating a better functioning world.

To exclude less wealthy sectors of the population denies the cooperation necessary to our survival as a single, interdependent system, dependent on all for continuation and survival.

NO PRICE HIKES.

Thank you,

Wendy Oser
